The student should have acceptable grades and attendance but above all show exceptional dedication and involvement in their community. Students graduating from the public or private school system as well as, home schooled students are eligible. The ideal candidate will demonstrate involvement in extracurricular activities and a passion for their community with a desire to further their education at a community college or technical school.

The requirements for consideration for the scholarship are:

- *Applications should be submitted by April 27, 2018 to the Chamber office*
- *Official copy of high school transcripts*
- *2 letters of reference*
- *250 word essay describing yourself and your goals*

Please be mindful of the deadline, no applications will be received after April 27, 2018

*In addition to the deadline, funds will only be made available through **August 2018**.*
